42ND EUROPEAN KARATE CHAMPIONSHIPS

4TH – 6TH MAY 2007
BRATISLAVA, SLOVAKIA

BULLETIN N° 1

We wait with great expectation and encouragement the arrival of these 42nd European Senior Championships 2007 in Bratislava. The Slovakian Karate Union has already hosted the EKF Cadet & Juniors in 1995 and the EKF Regions in 2003, both in Bratislava. Now, it is the right time to host the top European event.

I would like to take this opportunity to recognize the work developed by the Slovakian Karate Union during these last years. For me it is a model of efficiency, responsibility, quality and well doing. It has always been a pleasure to work with the SKU, and in all the before mentioned I want to make a special mention to President Daniel Liska, that has always made things easy inside a positive atmosphere of help and collaboration.

The celebration of this big event in Slovakia is something well deserved by the SKU and I can say, without any doubt, that these 42nd European Senior Championships are going to be a new success of our sport in the Continent, a new success of the European Karate Federation thanks to the inestimable contribution of one of its outstanding members as it is the Slovakian Karate Union.

Antonio Espinós
The President of
European Karate Federation

BRATISLAVA CITY

Bratislava is one of the youngest capitals in Europe and few people know that during the time it was called Pressburg or Pozsony it was one of the most important cities in the Austro-Hungarian Empire. It was a mixing pot of various nations and nationalities who lived together in peace and harmony. There is a saying that a true 'Pressburgian' speaks four languages: Slovak, German, Hungarian and Mishmash. Even as recently as the 1980s you might hear how older Pressburgians in the street would say two words in German, two in Hungarian and two in Slovak all in the space of one sentence. That is what we mean by "mishmash".

Bratislava's location on the banks of the River Danube and at the crossroads of ancient trading routes right at the heart of Europe predestined it to become a meeting point of various cultures. It was the home of the Celts, the Romans, and the Slavs ... The reign of Maria Theresa is regarded as a golden era in the city's history. She was crowned Queen of Hungary in St. Martin's cathedral in Pressburg, just like the 10 other kings and 8 royal partners over the course of 300 years when Pressburg was in fact the capital of the Kingdom of Hungary.

The rich mix of cultures and nations not only left its mark in the language spoken here, but also in the customs, cuisine and lifestyle. Just like the Viennese, the people of Bratislava also enjoy promenading through the streets of the city centre, taking time out for a coffee in any of the many cafes. This part of the city is referred to as the Korzo and combines elegance with charm. Visitors say that the city has a relaxed Mediterranean type atmosphere. Bratislava is a seaside city without the sea.

Nowadays Bratislava is experiencing a boom once more. Buildings are popping up, deals being made, people studying, and everything is on the move. Experts regard it as one of the most dynamically developing and most prospective regions in Europe. It welcomes tourists, business people, and investors, who are attracted to this bloom city and its lively atmosphere.

There are many cities in Europe that can boast their own special unique charm, and Bratislava is definitely one of them.
