2.1 COMPETITION FORMULA

Each Kata will be shared in two groups: the top three pairs with the maximum points on each group (number 6 pairs for each kata) will compete in the finals. The finals will be done on one mat. If the Number of pairs is less than 10, there will be only one group: the top 6 pairs of the group will compete in the final. For each Kata the pair with the maximum points will be awarded the gold medal, the couple with the second least points will be awarded the Silver medal; and the third, the Bronze medal.

2.2 POINT SYSTEM

Each judge will award points on the official EJU scoring sheet. The Maximum points and the Minimum Points awarded for each technique (included open and close ceremony) are cancelled and the remaining three are totalled to get the final score.

Each technique is evaluated with the following method:

Open and Closing ceremonies are evaluated with a maximum positive score of 10 points.

The positive score is decreased according to the following mistakes:

• **Small:**

- o Value of mistake - 1
- o Maximum number of crosses - 2

• **Medium:**

- o Value of mistake - 3
- o Maximum number of crosses – 1

• **Big:**

- o Value of mistake - 5
- o Maximum number of crosses – 1
- o Small and Medium mistakes can be added if necessary

• **Forgotten Technique:**

- o Score of the technique – 0
- o Total score of the Kata is halved
- o If there are more than 1 forgotten technique, the score of the technique is 0 but the total score will not be halved again. If the halved value is decimal, the score is rounded down.

A global evaluation of the Kata will be given from **0 to 10** according to:

Fluidity, Course and Rhythm

Right and Left techniques for Nage No Kata will be evaluated globally (only one score)

In case of equal score between the pairs, the following criteria will be applied:

- Total value of big mistakes – wins who does less mistakes

If couples still have equal score:

- Total value of medium mistakes – wins who does less mistakes

If couples still have equal score:

- Total value of small mistakes – wins who does less mistakes

If couples still have equal score:

- The score of fluidity, course and rhythm will decide – wins who has a better score

2.3 COMPETITION AREA

The Competition area has dimensions 10 x 10 metres and shall be covered by Tatamis or similar acceptable material, generally green in colour.

The Competition area must be fixed to a resilient floor. When more adjoining competition areas are used, a common safety area of 2 metres is necessary..

A strip of visible colour adhesive tape, approximately 10 cm. wide and 50 cm. long, shall be fixed on the centre of the competition area 6 m. apart, to indicate the starting position of Tori and Uke. The centre of the Competition area shall be indicated with a strip adhesive tape of the same colour.

2.4 SYSTEM OF JUDGING

Each Kata shall be evaluated by five judges under the supervision of the EJU Kata Commission. The five judges will be positioned on the Shomen side and they will seat at about 1 m distance each other.

The position of the five judges will be the same for all the competition.

If one judge is temporary replaced, he will take place in the same original position when he re-enters the competition.

A Judge cannot be a competitor.

The judges shall always be in their position before the arrival of the couple in the competition area.

The couple enters the competition area at the opposite side of shomen in the centre, then they reach their corner.

The judge in the centre at shomen side gets up and, with tense arms and palms of the hands turned upward, invites the couple to enter the competition area. Each competitor reaches their position.

After the bow, at the end of the Kata, the couple leaves the competition area walking until they reach the same side they entered.

2.5 LEVEL OF THE JUDGES

The contests will be judged by EJU qualified Kata Judges. Kata rules to be followed are as published by the EJU.

2.6 INJURY , ILLNESS and ACCIDENT

When Tori or Uke is unable to continue because of injury, illness or accident during the execution of the Kata, the couple will be considered out of competition.

In case of Minor injury like bloody wound, broken nail or a problem with contact lenses, according to the decision of the judges, the Kata execution will be stopped and the athlete will be assisted by a Doctor out of the competition area.

The competition will continue and the couple will repeat entirely the Kata soon after the last called couple. In case a new Minor injury happens at the same athletes during the second execution of Kata, the couple will be considered out of competition.

In the case that Minor injury happens after a forgotten technique, the couple will be considered out of competition.
