COMPETITION RULES

Message from Host Country President

Dear Judo Friends,

It is my pleasure that I can welcome not only the participants of the 2nd Kata World Championships, but also those of the 2nd IJF Grand Masters World Championships, as well, in the name of the Hungarian Judo Federation.

I am hoping that by organizing of these two great events together will benefit our beloved sport in many ways, attracting more audience for both and spreading our word.

Having the best Kata players in Budapest between the 25th – 26th May 2010 is a great honour, and I believe it to be a milestone in the history of Kata, where the competitors will have the chance to prove their knowledge on the right scales. I am sure we will see beautiful performances and I am pleased to award the best ones.

The Hungarian Judo Association is doing its best to host a remarkable event, by not only organizing a World Championship but also organizing side events to gather cultural and social activities at the same time. I truly believe that this will give the participants an exciting week we will all keep in our good memories.

Hope to see you in Budapest in May.

Best regards,

Dr. László Tóth

President of the Hungarian Judo Association

2. Judges

2.1. COMPETITION FORMULA

Each Kata will be divided in two groups: the top three pairs with the maximum points from each group (that is 6 pairs for each kata) will compete in the finals. The finals will be done on one mat. If the Number of pairs is less than 10, there will be only one group: the top 6 pairs of the group will compete in the final.

The final score is the sum of the points of the eliminatory and final scores:

For each Kata the pair with the maximum points will be awarded the gold medal, the couple with the second least points will be awarded the silver medal; and the third, the Bronze medal.

All the participants will receive a certificate for participation.

For each Kata, the following awards will be awarded:

- The best classified male couple
- The best classified female couple
- The best classified male-female couple

2.2. POINT SYSTEM

Each judge will award points on the official IJF scoring sheet. The Maximum score and the Minimum score are cancelled. The TOTAL score of the three remaining judges will be totalled to get the final score.

Each technique and open and closing ceremonies are evaluated with a maximum positive score of 10 points. The positive score is decreased by mistakes

The evaluation of every technique of the Kata has to consider the principle and the opportunity of execution: the evaluation (included the open and close ceremony) has to be global.

Definition of mistakes:

- **Forgotten technique** – score is Zero and the total score of the Kata is halved. If the forgotten technique is more than one, zero score will be given to the technique but the total score will be not halved again.
If the halved total value is not a whole number, the score will be rounded up.
- **Big mistake:** when the execution of the principle is incorrect (5 points are deducted and the maximum number of crosses is 1)
- **Medium Mistake:** when one or more elements of the principle are not applied in the correct way (3 points are deducted and the maximum number of crosses is 1).
- **Small mistake:** imperfection in the application of the technique (1 point is deducted and the maximum number of crosses is 2).

For every technique without a big mistake, the minimum score has to be 5.

The evaluation of fluidity, course and rhythm represents the global vision of the whole Kata (included the rei):

- If there is no big mistake in the Kata, the minimum result will be 5 and the maximum 10.
- If there is a big mistake in the Kata (including the rei), the score must not be more than 5.
- In case of a forgotten technique, the score of fluidity, course and rhythm is zero.

In the Nage no Kata, right and left techniques will be evaluated globally (only one score).

In case of equal score between pairs, the following criteria will be applied:

- Total value of big mistakes - wins who makes less mistakes;
- if still equal, total value of medium mistakes will be considered. - wins the pair who makes less mistakes;
- if still equal, total value of small mistakes will be considered - wins the pair who makes less mistakes;
- if still equal, the score of fluidity will decide. Wins the pair who has a better score.

If two pairs, both placing 3rd in the eliminatory (or 6th place in case of only 1 group) are still equal after all the above mentioned criteria, both pairs will qualify for the final.

If two pairs placing 1st, 2nd or 3rd during the final are still equal after the above mentioned criteria, the Kata will be repeated so that the medal can be assigned.

2.3. SYSTEM OF JUDGING

Each Kata shall be evaluated by five judges under the supervision of the IJF Kata Commission.

The five judges will be seated on the Shomen side, about 1 m apart. The position of the five judges will be the same for all the competition. If one judge is temporary replaced, he will take the same original position when he re-enters the competition.

Only IJF Kata Commission can replace a Judge during the Competition.

A Judge cannot be a competitor.

The judges shall always be in their position before the arrival of the couple in the competition area.

The judge in the centre stands up and, with tense arms and palms of the hands turned upward, invites the couple to enter the competition area.

The couple enters and leaves the competition area at the opposite side of shomen: the Start and end of Kata (opening and closing ceremony) is at 10 m distance (bow to the mat).

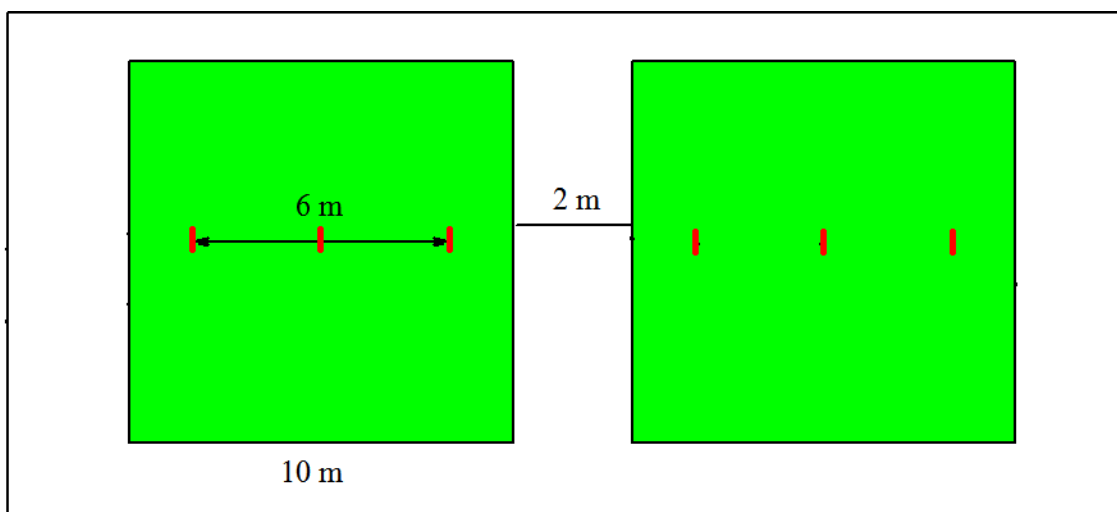

Any behavior of Tori or Uke inside the Competition area that is contrary to the spirit of Kata will reduce the score of the Ceremony.

2.4. COMPETITION AREA

The Competition area has dimensions 10 x 10 metres and shall be covered by Tatami or similar acceptable material, generally green in colour.

The Competition area must be fixed to a resilient floor. When more adjoining competition areas are used, a common safety area of 2 metres is necessary.

A strip of visible colour adhesive tape, approximately 10 cm. wide and 50 cm. long, shall be fixed on the centre of the competition area 6 m. apart, to indicate the starting position of Tori and Uke. The centre of the Competition area shall be indicated with a strip adhesive tape of the same colour.

2.6 LEVEL OF THE JUDGES

The competition will be judged by IJF or Continental qualified Kata Judges. Kata rules to be followed are as published by the IJF.

2.7 INSCRIPTIONS

The number of judges per federation is limited to:

Participating countries may enter **3 Judges**.

Non participating countries may enter **2 Judges**.

Each participating federation has to enter at least one judge.

Only the judges entered by their federation can judge.

The costs for travelling, board and lodging of the judges are at the costs of the member federation.

Inscriptions of the Judges have to be sent to the IJF General Secretariat about one month before the start of the competition. For the exact date, please check Annex 1. An inscription form is enclosed as Form 3.

2.8 JUDGES MEETING

2.9 INJURY, ILLNESS and ACCIDENT

When Tori or Uke is unable to continue because of injury, illness or accident during the execution of the Kata, the couple will be considered out of competition.

In case of Minor injury like bloody wound, broken nail or a problem with contact lenses, according to the decision of the judges, the Kata execution will be stopped and the athlete will be assisted by a Doctor out of the competition area.

The competition will continue and the couple will repeat entirely the Kata soon after the last called couple. In case a new Minor injury happens at the same athletes during the second execution of Kata, the couple will be considered out of competition.

In the case that Minor injury happens after a forgotten technique, the couple will be considered out of competition.
