Dear wrestling friends,

We have the pleasure to announce you that the Hungarian Wrestling Federation is going to organize a cadet tournament in the city of Doro on March 23-24, 2012 and we are pleased to invite your delegation to participate.

We all know very well that there aren't too many international competitions for cadets but with the rise of this age group and the birth of the Youth Olympics more attention should be paid to them.

We plan to establish a tradition with the organization of this competition and hope that many countries will answer positively to our invitation.

Looking forward to see you in Hungary,

Budapest, November 23, 2012
