Introduction by Host Federation President

Dear Judo Friends,

may all of you be welcome in the Senior European Championships in Budapest. We are delighted to have the opportunity to organize an event this important.

The year of 2012 has been very successful for the Hungarian judo. As you all must know our Judokas won 2 medals at the Olympic Games in London. Éva Csernoviczki is the first Hungarian woman to have won a medal at the Olympics in the sport of Judo, to be more exact a bronze one. And if it wasn't enough she was the person who opened a very resultful winning sequence for the Hungarian Olympic team having won the very first medal in London.

Our other Olympic medallist is Miklós Ungvári who won a silver medal in his category. We are more than happy to have a male contestant amongst the medallists again, as since Antal Kovács we did not really have luck at the Games. However, we hope for the best and we await of the other medals that are to come.

At the end of last year we had the honour to organize the 64th Congress of the European Judo Union where there also was a re-election of the members and where almost all the European Nations represented themselves.

Naturally, the most important event for us this year is this event, the Senior European Championships held between 25-28 of April, where we count with the presence of all the European countries. We honestly hope that you all will have a great time and that you will go back to your homes with pleasant memories.

I wish a clear and honest competition to all of us. May the best win and may everyone have a wonderful time.

Best of luck to all of you!

Dr. László Tóth
president
