Cyprus
in your heart

The European Karate community feels extremely satisfied to visit Limassol and Cyprus for these 43rd European Junior & Cadet and 8th U21 Championships.

We also take this opportunity to recognize the work developed by the Cyprus Karate Federation during so many years. It is a small Federation in size, but a good example on how a small Federation in size can work with efficiency and make an outstanding contribution to the European Karate. It has always been a pleasure to work with the Cyprus Karate Federation, who also has always made things easy inside a positive atmosphere of support and collaboration.

The celebration of this event in Limassol is something well deserved by the Cyprus Karate Federation and we are fully confident that these 43rd European Junior & Cadet and 8th U21 Championships are going to be a new success of our sport in the European Continent, a new success of the European Karate Federation thanks to the significant contribution of the Cyprus Karate Federation.

Antonio Espinos

City of Limassol

Limassol is a city on the southern coast of Cyprus and capital of the eponymous district. Limassol is the second largest urban area in Cyprus, with an urban population of 160,000-176,700. The municipality is the most populous in the country with 101,000 inhabitants (2011).

The Port of Limassol is one of the busiest ports in the Mediterranean transit trade and the largest port in Cyprus. It has also become one of the most important tourism, trade, and service-providing centers in the area. Limassol is renowned for its extensive cultural traditions, and is home to the Cyprus University of Technology. A wide spectrum of activities and a number of museums and archaeological sites are available to the interested visitor. Consequently, Limassol attracts a wide range of tourists mostly during an extended summer season to be accommodated in a wide range of hotels and apartments. A large marina lies near the old town, 500 meters from the Limassol medieval castle.

Limassol was built between two ancient cities, Amathus and Kourion, and during Byzantine rule it was known as Neapolis (new town). Limassol's historical centre is located around its medieval Limassol Castle and the Old Port. Today the city spreads along the Mediterranean coast and has extended much farther than the castle and port, with its suburbs stretching along the coast to Amathus. To the west of the city is the Akrotiri Area of the British Overseas Territory of Akrotiri and Dhekelia.

Limassol ranked 87th worldwide in Mercer's Quality of Living Survey (2012), between Bratislava and Tallinn.
