# Welcome to Dubai

Dubai is one of the few cities in the world that has undergone such a rapid transformation - from a humble beginning as a pearl-diving Centre - to one of the fastest growing cities on earth. Dubai today is a tourism, trade and logistics hub and has earned itself the reputation of being the 'gateway between the east and the west.' It is also considered as the dynamic nucleus of the Arabian Gulf region.

Home to just over 2 million people from more than 200 nationalities, Dubai is one of the most cosmopolitan cities in the world. Living in Dubai has a lot to offer. It is safe, politically stable, centrally located, and has a good education system and healthcare facilities, modern infrastructure and much more. The sun shines almost every day, the shopping and leisure facilities are impressive, and the salaries are tax-free.

Living in Dubai is exciting, something new and different happens ever so often. Just when you think you've seen it all, a new project is announced, whether it is the launch of a sports stadium, a mega commercial tower, a residential enclave or yet another shopping mall! Dubai is constantly on the move, striving for greater heights and more facilities and comfort for its residents and visitors.

Dubai is without a doubt a destination of the 21st century. Read any article about the fastest growing city in the region and it's almost guaranteed you'll see the words 'ambitious', 'record-breaking' and 'staggering'. This meteoric growth has not gone unnoticed, and each year thousands of expats arrive to claim a slice of the action.

If you are planning to make Dubai your new home, take a look at these videos from a cross-section of people who live here and what they have to say: [www.thisisdubai.ae/](http://www.thisisdubai.ae/)

If you are already living here in Dubai, read the pages of this portal regularly and explore new things to do, places to see, restaurants to dine in, movies to see or enjoy a show.

**DUBAI 10 TOP TOURIST ATTRACTIONS****Burj Al Arab**

The Burj Al Arab (Tower of the Arabs) is the world's only 7 star hotel and designed to resemble a billowing sail, the Burj Al Arab soars to a height of 321 meters, dominating the Dubai skyline making it the fourth tallest hotel in the world.

It truly is one of the most iconic symbols of Dubai and is a majestic building. No trip to Dubai would be complete without at least seeing it! There are various viewpoints you can take photos from but one of the best is from the public beach next to it... there you will get that Dubai shot of you on the beach with The Burj in the back ground, It is one of the most photographed structures in the world, and consistently voted the world's most luxurious hotel. It is illuminated at night by choreographed lighting making it an impressive building day or night!

**Burj Khalifa**

The Burj Khalifa is the world's tallest tower and is an amazing feat of engineering- the story of which you can see if you take a trip to "At The Top"- the highest viewing platform in the world.

The high point of any Burj Khalifa experience is the view from At The Top. Located on level 124 of the world's tallest tower, this observatory is destined to be the highlight of any visit to the Middle East.

The journey begins in the lower ground level of The Dubai Mall. Throughout the journey to the top, visitors are entertained by a multi-media presentation of the exotic history of Dubai and the marvel that is the Burj Khalifa. EW top tip is to buy your tickets online in advance as you can save about 300 Dhs per person doing this. The slots sell out fast though- especially the sun set ones so make sure you get booked in in time!

**The Dubai Fountains**

At the base of the world's tallest tower is one of the world's most amazing fountains! In fact it is the world's largest dancing fountain! Set on the 30-acre Burj Khalifa Lake, the fountain shoots water jets as high as 500 ft, equivalent to that of a 50-storey building. The fountain is 900 ft long and has five circles of varying sizes and two central arcs. It is designed by California-based WET, the creators of the Fountains of Bellagio in Las Vegas.

The Dubai Fountain performs daily, with the performance repertoire including Sama Dubai; Baba Yetu, an award-winning song in Swahili; the Arab world's top-selling dance number Shik Shak Shok; and the signature piece of world-renowned Italian tenor Andrea Bocelli, Con te partiro (Time to Say Goodbye).

Over 6,600 WET Superlights and 25 colour projectors create a visual spectrum of over 1,000 abstract attractions. The beam of light shining upward from the fountain can be seen from over 20 miles away, and will be visible from space making it the brightest spot in the Middle East, and quite possibly in the entire world.
