14th
EUROPEAN
KARATE CHAMPIONSHIPS
FOR REGIONS
Kocaeli 2016 / 4-5 June

These 14th European Karate Championships for the Regions in Kocaeli, Turkey, are surrounded by great expectation after the very successful experiences of the previous editions of these Championships, that have been continuously increasing in size and in quality since its first edition in 2003.

The unique opportunity for all European Regions to compete under their own name, flag and personality in an official sport event makes these Karate Regions Championships a rather singular and attractive activity, bringing to the reality an historic aspiration that has proved to meet so many expectations.

Also, the fact that the organisation of the event will be run by the Turkish Karate Federation is a guarantee of quality and well doing. All European karate will travel to Kocaeli and will also have the opportunity to close ties with the Turkish karate.

This 2016 edition continues counting with the incentive of a new format, with a rather imaginative and successful proposal implemented in 2010 that includes the youth categories from 14 to 17 years. In the name of the big European Karate family, I want to thank you for your inestimable contribution. Be sure we all will enjoy unforgettable experiences around karate in Kocaeli Turkey.

Yours sincerely,

Antonio Espinos
EKF President

KOCAELİ

Kocaeli is mostly known by its district center, Izmit. The ancient name of the city is Nikomedia. Remains from Roman and Byzantine times may be seen here, among which are the citadel, the Temple of Augustus and the agora.

The city of Izmit is mainly an industrial center in Marmara region of Turkey with numerous industrial establishments surrounding the Gulf of Izmit. However, there are also many tourist sites in this bustling province. Kartepe is a winter sports resort that reaches a height of 1600 m, Kerpe and Kefken on the Black Sea coast have fine beaches, while Golcuk and Karamursel in the Gulf of Izmit are other beautiful sea resorts.

At Arpalik near the Eskihsar village in the Gulf of Izmit, there is a yacht berth place with a capacity of 60-80 yachts. Lake Sapanca in nearby Sakarya province is another natural beauty and a scenic place ideal for picnics. One of the towns of Kocaeli is Hereke, where the very best Turkish carpets are produced. The artistic carpets of Ottoman palaces were woven here only for the sultans. These carpets are priceless and well-known all over the world.

Kocaeli is the city that takes place on the highway and railroad connecting Istanbul to Anatolia. The name of the city was Nicomedeia in the times of Roman Empire. Today it is a very industrial center for Turkey.
