## WELCOME TO RABAT

Morocco's political and administrative capital may be short on top-drawer tourist attractions, but it compensates with plenty of charm. The Ville Nouvelle's palm-lined boulevards are clean, well-kept and relatively free of traffic – a blessed relief for those who have spent time in Casablanca. There's a clean central beach, an intact and evocative kasbah, and an attractive walled medina that is far less touristy than those in other large cities. All in all, the city is a good choice for a short sojourn.

## OMISSIONS

As regards that the specific items are not expressly foreseen in the present bulletin reference is to be made to the general rules and guidelines contained in WKF Regulations.
